The left section is for logging in and redeeming a code, with fields for Username and Password, and a blue button labeled 'Login and redeem code'. The right section is for creating a new account, titled 'Create a FREE account'. It includes a sub-header 'To redeem IMI products you will need to create a FREE IMI account.' and fields for Username, Password, Email Address, and a confirmation field 'Re-enter your email address' with 'Confirm Email'. There is a checkbox for 'I am over 13 years of age' and a blue button labeled 'Register and redeem my code'.

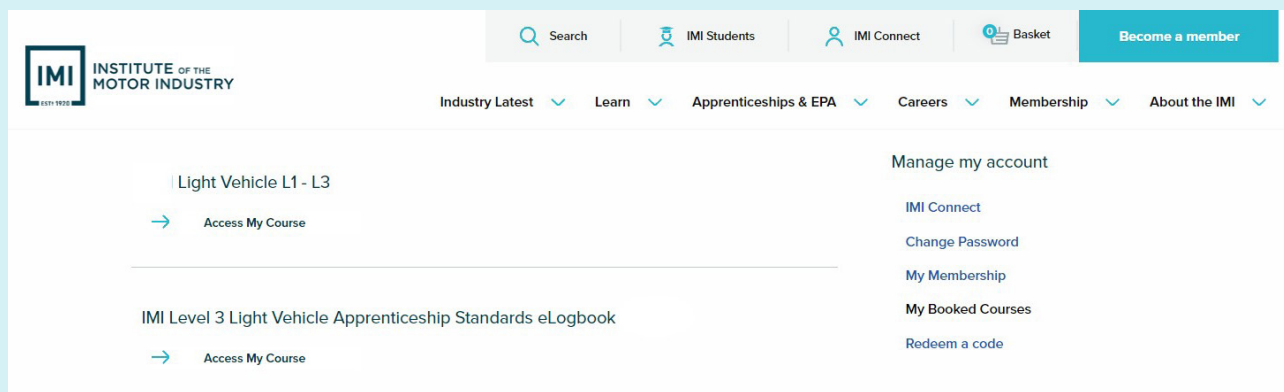

Step 3: Access your e-Learning content

Once you've successfully submitted your access code, you will reach the following page and be ready to explore and navigate the platform. From here, you can view your booked CPD by clicking on '**View course**'.
